

OUR MISSION

To build an inclusive, postsecondary education program seeking to support a self-determined and fully-inclusive life for people with intellectual and developmental disabilities that will lead to competitive, integrated employment.

Scholars

WHY HIRE OUR STUDENTS

Our scholars are enthusiastic and motivated to perform entry level work in a college setting

Through our program, scholars have learned soft skills that make them apt for competitive employment

On-campus employment for our students increases the diversity and equity of CSULB, fostering a more inclusive community for all

THINK BEACH SCHOLARS ARE SUPPORTED BY THE FOLLOWING DEPARTMENTS

- College of Education
- Community Clinic
- Department of Rehabilitation
- WorkAbility IV
- Bob Murphy Access Center (BMAC)

SCHOLARS CAN PARTICIPATE IN THE FOLLOWING POSITIONS

- Job Shadowing
- Apprenticeships
- Part-time work
- Paid and unpaid internships
